**3-Dimensional Collage Boxes  
with Sam Wiley ✧ April 16, 2011**

Create your own box assemblage by combining two-dimensional images, photos or text with found objects in the style of Joseph Cornell. Participants may bring their own mementos or photos to work into their compositions.

**GAC Members \$12 ✧ Non-Member \$15**

**Supply Fee: \$15 per student**

**Children's Class 9:30-11:00 ✧ Adult's Class 12:00-2:00**

**Copper Enamel Jewelry Making  
with Carolyn Vieau ✧ May 14, 2011**

Enameling is the colorful result of melting powdered glass on to a metal surface by firing. The heat causes the enamel to melt and unite with the surface of the copper. This is an easy and fun process to learn.

*PREREGISTRATION IS REQUIRED—NO DROP INS!*
