About ArtWalk

For over 25 years, the Galveston Arts Center has organized ArtWalk on eight Saturday evenings each year in the heart of Galveston's historic district. ArtWalk takes place inside existing art galleries (both commercial and non-profit) and other public spaces, such as cafes and shops that showcase rotating art exhibits.

One of GAC's oldest and largest programs, ArtWalk supports our community and connects a diverse assortment of local places to see, learn about, and purchase original art.
